

Certificate

SAP INTEGRATION CERTIFICATION

SAP SE hereby confirms that the product

Market Data Hub 1.0

of the company **Brisken LLC**

has been certified to run on SAP HCP via SAP scenario HCP-APP-DPL.

This certificate confirms the technical and syntactical consistency of the HANA application in accordance with SAP certification procedures. SAP only certifies successful integration of the product with SAP solutions. Vendor is responsible for the product itself and its error-free operation.

The certification test is documented in report no. 9186 and expires 09-NOV-2017.

SAP Test System: SAP HCP

This configuration meets the requirements for Market Data Hub 1.0 running on the SAP HANA Cloud Platform.

Certified Function:

Native SAP HANA XS Application running on SAP HCP

Montreal, 09-NOV-2016
